

## EARN YOUR DEGREE IN **Engineering and Aviation Sciences**

The Department of Engineering and Aviation Sciences at the University of Maryland Eastern Shore is home to laboratories with state-of-the-art instrumentations, including simulators for flight instruction and wind tunnels for aerodynamics research. We offer a Bachelor of Science degree in Engineering with specializations in aerospace, computer, electrical or mechanical. Our Bachelor of Science in Aviation Science offers concentrations in aeronautics, aviation management, and professional pilot.

Partnerships with nearby businesses allow our students to participate in hands-on activities to reinforce the principles and concepts learned in the classroom. Our experienced faculty and small class sizes ensure you are prepared to soar into a successful career when you leave UMES.
